**VEGAN
COOKING
FOR ANIMAL LOVERS**

The Hardcore Chef proves you don't have to chow on rabbit food, max out your credit card at high-priced health food stores, or spend all day cooking elaborate meals from scratch just because you love animals!

Friend of cows and chickens, enemy of corporate-greed, the Hardcore Chef leads you down the path of culinary enlightenment with centuries-old vegan recipes like "Hail Seitan" and "Eviction Sloppy Joe" (for when your roommate spends your rent money on heroin).

With support from his favorite hardcore-punk vegan bands, the Hardcore Chef demonstrates how tasty food can be when it's fast, cheap, and cruelty-free.

- Released just in time for a cruelty-free Thanksgiving!
- Cross-promoted with animal-rights documentary *Your Mommy Kills Animals*.
- Features music, guest appearances, and music videos from popular hardcore-punk vegan bands.
