PINK EYE is set at a prison-like, dilapidated insane asylum where secret drug testing has gone inexplicably wrong. Patients are dying in sick and twisted ways, and those who survive are becoming raging, homicidal lunatics. It's only a matter of time before all hell breaks loose and inmate patients crave the freedom to take their vengeance out on the world outside. When one patient escapes--deformed, angry and far beyond insane--he brings death and terror to an unsuspecting town and everyone in it.

"You haven't lived until you've seen a young woman graphically rip her eyeballs out because she thinks there are ants behind them... AWESOME!!" (*-Best Horror Movies.com*)
